INTRODUCTORY REMARKS

To those who have never dealt with us, would say that this business was established in 1870 and has always been under the same management as at the present. We have a plant of over six hundred acres, and are supplied with storage cellars, side track and all up-to-date equipment necessary for the proper and rapid handling of nursery stock.

LOCATION—We are located in Southwestern Iowa, fifty miles southeast of Omaha, Nebraska and seventy miles northwest of St. Joseph, Missouri.

RAILROAD FACILITIES AND SHIPPING—We are on the C., B. & Q., Wabash, and Keokuk & Western railroads and have low freight rates and direct lines to Chicago, Denver, Kansas City, Minneapolis, Omaha, St. Louis, St. Joseph and other central points. For express shipments, the Adams and Pacific Express Companies give good service

TERMS OF SALE AND BUSINESS RULES.

PACKING SEASON—In the Autumn, we usually begin packing about September 25th and continue throughout the winter. Please give shipping instructions and state whether by freight or express; also route. If no directions are given, we will forward to the best of our judgment, but in no case will we assume responsibility after consignment to purchaser.

PAYMENT—Cash or security before shipment of goods, except with established firms, when if unknown to us, satisfactory reference will be required before goods are forwarded. Orders to be sent C. O. D. should be accompanied by one-fourth cash.

PRICES—Are limited to Fall, 1908, and supersede all previous lists and are subject to change without notice.

CAUTION—We accept all orders upon conditions that they shall be void should any injury befall stock from frost, fire, hail storms or other causes over which we have no control.

GRADES—We grade carefully; in some cases by caliper; in others by height. When graded by both caliper and height, the caliper must govern.

CLAIMS—For deduction will receive consideration only when made within six days after receipt of goods.

PACKING—Prices contained herein are net; cost of boxing and baling will be added.

CERTIFICATE OF INSPECTION will be furnished with each shipment.

OUR GUARANTEE OF GENUINENESS—While we exercise proper diligence to have our trees, etc., true to label, and hold ourselves in readiness, on proper proof, to replace all trees, etc., that may prove untrue to label, free of charge or refund the amount paid, it is mutually understood and agreed between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than originally received for said trees, etc., that prove untrue.

ROOT GRAFTS

With a large supply of strong, healthy scions and clean, well-grown apple seedlings, we are in better position than ever before to take good care of your graft wares.

Each order is put up separately and packed away carefully in our graft cellar to callous. They are repacked several times during the winter and closely inspected so that they are in the best of condition at shipping time.

We will make any style or length that customer wants and make price accordingly.

So-called Piece Root grafts are made with six inch scions and three and one-half inch root.

Whole Root grafts are made with a six inch scion and the entire seedling if desired, either straight or branched.
